drop of

- at the Farm at 42 Meadowview Road in Grindrod,
- Enderby Open Air Farmers Market - Fridays,
- Kelowna Farmers Market Wednesdays or Saturdays

I appreciate the locally grown organic pumpkin and I understand that occasionally a pumpkin will "breakdown" during the growth period. Mother Nature makes no guarantees. In this case I will be able to choose one of the scarred pumpkins Green Croft Gardens created.

I agree to pick up my pumpkin at the farm the first week of October or as otherwise arranged.

I Agree _____ Date _____ signed _____
